- Consider and pray for God to reveal this to us:
 - o What is sin? Is it just the bad things we often think of today? Lying, stealing, jealousies, sexual immorality? What is the only sin which God will condemn man for?
 - o Am I in a right relationship with my heavenly Father? Am I walking in the light? Is there anything that I am hiding from God? What sins does He want me to deal with that I have not yet dealt with? Are there any changes He is asking me to make in my life?
